20       ment of the California missions.

21              (5) More than 5,300,000 people visit the Cali-  
22       fornia missions annually, and the historical impor-  
23       tance of the California missions extends worldwide  
24       as they have become a frequent destination for for-  
25       eign visitors to the United States.

1           (6) The history of the California missions is an  
 2           important educational component in California

 4           part of the Statewide fourth grade curricula on Cali-  
 5           fornia history.

6           (7) Restoration and repair of the California  
 7           missions, and the preservation of the Spanish colo-
